Was it cleared by EOC PIO? I didn't see the email.

Wow, it's a REALLY good thing David Gray emailed everyone at 7:12PM Colorado time, or almost all of us would have missed the call! ☺ We thought that it had been canceled.

And that call resulted in a quick request to post a press release. I created a Web page based on what they sent me, but it didn't work at all at first (the spacing, the bold, the one-section layout, etc), so I ended up making it into three sections. They said they liked it:

There's still some "OneEPA Web" stuff I could do with the page, but it might end up getting overwritten by the official news release when it comes out.

Thanks,

Tim
